

Call for Applications

EAN INTERNSHIP - Outreach and Engagement Officer

The **ERMA Alumni Network (EAN)** is the official action of the ERMA Programme which links more than 550 graduates of the programme to its *alma mater* and *vice versa*. EAN was established in 2017 to represent the point of reference for the communication with the former students, and a hub through which the ERMA programme fosters a web of professional, academic, and public relations with its graduates. EAN is funded by the ERMA programme, with support of EU and AICS Italy, and it is a proud member of the Global Campus Alumni (GCA), the biggest international alumni organization in human rights and democracy in the world with more than 3,000 members, supported by the Global Campus of Human Rights (GC).

The EAN Team is composed of few, enthusiastic alumni, believing in the potential of ERMA graduates and our network, who have been working towards creating a recognizable alumni community. Being aware of the importance of quality communication and promotion these days, the network wishes to improve our work in this area and motivate the alumni to get involved in EAN activities even more.

Therefore, if you are eager to learn, flexible, and you love social media **we encourage you to apply for the EAN Internship**. The intern would work in close cooperation with the EAN Alumni Manager and the EAN Focal Point under supervision of the ERMA Academic Unit, and will be responsible for the realization of the working portfolio described below.

If interested, **please submit your CV and Motivation Letter** (500 words max) to alumni@erma-programme.eu by the **20th of January 2021**. For any questions or queries, please write to us at alumni@erma-programme.eu.

I Responsibilities:

- To be actively involved in the communication and promotion of EAN (websites, social media, email)
- To encourage social media engagement and motivation of the alumni
- To prepare the first three editions of the EAN Newsletter
- To launch the EAN Ambassadors Programme
- To follow and promote the success and progress of EAN members (stories, testimonials, video messages)
